NORTH AMERICA

USA

12 - 17 September 2016, Chicago

2nd International trade fair for motion control, power transmission and fluid technology. Co-located with IMTS- one the largest industrial technology tradeshow in the US.

Featuring 80 exhibitors from 12 nations, the premiere of MDA NORTH AMERICA 2014 was a great success. Together with Industrial Automation, it covered close to 5,000 square meters of space and gained massive exposure generated by the co-located IMTS, which drew more than 114,000 visitors and 2,000 exhibitors to McCormick Place in Chicago.

As part of IMTS – the largest manufacturing tradeshow in this part of the globe – Motion, Drive & Automation NORTH AMERICA understands the sector's potential, providing exhibitors with a platform to expand their recognition in the North American manufacturing marketplace and introduce their innovative technologies to the right target audience.

MDA NORTH AMERICA will attract maximum industry attention thanks to synergies with the following shows:
