

BGA Training 2021

**BRITISH GEAR
ASSOCIATION**

Promoting the technical and commercial interests of manufacturers, distributors, academics and others involved in the Power Transmissions industry in the United Kingdom.

The British Gear Association (BGA) are the leading providers of gear related training in the UK and Europe. All BGA training is developed and delivered by Gear experts from Academia and Industry.

From introductory classes to more in-depth specialist training we have all of your gear training needs covered. Our courses are suitable for all sections of the gearing world. From students and apprentices starting out in their careers to experts wanting to hone their skills or get up to date with the latest developments. Most of our training is CPD Accredited.

During the unprecedented events of 2021 here at the BGA we have been working hard to continue to offer essential Gear Training to support people around the world in an online environment.

Thanks to the continued support of the BGA Membership we can **offer our 2021 online training to members completely free of charge** - non member fee £225 per delegate. If you are not a BGA Member please get in touch to find out how to join.

Please go to the BGA website for full course details www.bga.org.uk/gear-training/

If you would like to register for any of our essential gear training please contact Kirsty in the BGA office admin@bga.org.uk
